

Professor Resid Hafizovic, Ph.D.  
Faculty of Islamic studies, Sarajevo University  
54 Cemerlina Street, Sarajevo  
Bosnia-Herzegovina.

## CURRICULUM VITAE

RESID HAFIZOVIC was born in 1956 in Srebrenica. There attended elementary school, in Sarajevo he attended Gazi Husrefbeg high school, and in 1981 he graduated from the Faculty of Islamic studies (B.A.) in Sarajevo. In the same year he started to work at this Faculty as teaching assistant for the subjects: Islamic Dogmatics (al-‘aqîda al-islâmîya) and Comparative study of Religions (muqârana al-adyân). He attended a post-graduate course at the Catholic Theological Faculty in Zagreb, and, finely, he earned Ph. D. from the Faculty of Humanities in Sarajevo in 1993, with thesis on the work of the famous Andalusian mystical philosopher Muhyiddin Ibn ‘Arabi. In the meantime he undertook several study trips to Paris (Institu Catholique, 1990/91), Oxford (Oxford Center for Islamic Studies, 1995), Cambridge (Fitz William College, 1997), Tokyo, Kyoto University, 1998), Teheran (many times) New York, New York State University, 1999, where he has followed Fullbright’s Program in the field of the History of America and American Religions.

In 2005. Resid Hafizovic has become a member of Iranian Academy of Philosophy.

24. 10. 2009. Resid Hafizovic has gained major Award of The Thirth International Al-Farabi's Award by the Ministry of Science, culture and Technology of Islamic Republic of Iran in cooperation with UNESCO and ISESCO. The Award has gained in the field of Humain and Islamic Studies for his book 'The Humain Image in the mirror of Sufism', edited by 'Ibn Sina' Institute in Sarajevo, 2005.

RESID HAFIZOVIC today lives and works in Sarajevo at Faculty of Islamic Studies of Sarajevo University as the full time professor in the fields of the above mentioned disciplines, and simultaneously he is the member and a half time cooperater of the Faculty of Humanities of Sarajevo University, departmen of pure philosophy, within the postgraduated studies, and as a member of Ibn Sina Institut in Sarajevo. He published both authored and translated texts in the fields of philosophy, theology, comparative religions and comparative mystical philosophy (theosophy). He is a translator of many books, essays and articles from Arabic, English, French and Italian into Bosnian language.
